

From the Manager

Please be advised that GOLF Cart Registrations were due on 30 June. All TBCC members using Carts to access the Club, the Golf Course, Bowling Greens, Tennis Courts or any area of TBCC property at any time for either Social or Competition purposes are required to register and pay the appropriate amount for the use of that Cart. The Cart must display the Registration Sticker on the windscreen in clear view. Over the coming weeks Carts on TBCC property will be inspected to ensure compliance with Club policies on Carts. Non-compliant Cart owners will be requested to leave TBCC Grounds until the Cart is registered with the Club Administration.

If you have not already done so please have consideration for all your fellow members that have registered their carts, as the funding allows us to maintain our paths and contributes to the upgrading of Your Club.
