

Membership Category Letter of Understanding.

Monday to Friday Golf Membership.

To be read and signed by member applying for membership.

Dear applicant.

Thank you for choosing Tura Beach Country Club to become a member of.

You have chosen to be a restricted member, with the option of Monday to Friday golf membership. This membership category does come with some minor restrictions.

The cost of this membership includes GST, PIP insurance and golf affiliation fees.

Under this membership, you are entitled to full use of our golf course on any day Monday to Friday, with the exemption of any course closures, without any green fees payable, but are required to pay any competition fees that may be payable should you decide to enter any of the weekday competitions. You must report to the pro shop prior to any round of golf whether being social or competition, this is also a Covid 19 requirement. There is no limit of rounds you can play on these days. You are entitled to play on weekends, social or competition, but you must report to pro shop and pay 50% of any green fees and full competition fees if you are playing in a competition. You can play and win any of our major club competitions, such as club championships, monthly medals, pennant etc. providing you meet the above criteria.

If you are found to have been playing outside of restricted conditions, without meeting the above criteria, Tura Beach Country Club will invoice you for the balance between your restricted membership to full membership to bring you in line with those members playing under the conditions of full membership.

Tura Beach Country Club advises that you read this in conjunction with the club constitution.

In signing this form, you acknowledge that you have read and understand the context in this contract.
