COVID-19 Restrictions Update 14 August 2021

Dear Members,

To protect the people of NSW from the evolving COVID-19 outbreak, the NSW Government has announced a lockdown for Regional NSW from 5pm 14 August until 12:01 am Sunday, 22 August 2021, and may be extended. Due to this announcement the Club will need to shut for the duration of the lockdown period.

- The Clubhouse will not provide takeaway alcohol or food, but this may change if the lockdown is extended.
- Golf can continue as it has been deemed exercise, only 1 person per cart and 2 per group will be permitted. If you attend the Club to golf you must register at the proshop, not congregate and leave immediately following your round.
- The Mixed foursomes Championships for 15 August 2021 will be postponed.
- Bowls will not be able to continue.
- All committee meetings will need to take place virtually.
- As restrictions can change quickly, please refer to the clubs website and facebook pages for the latest information

Our priority throughout the COVID-19 pandemic has been the safety and well-being of members, guests and our staff. We appreciate your ongoing patience through this difficult time.

Stay Safe,

Scott MacLean
General Manager
Tura Beach Country Club
