**Explanation and notes of categories for TBCC period beginning 01/07/2021
please read in conjunction with TBCC constitution to eligibility and
restrictions of membership.**

As of 01/07/2021 all memberships will be on an anniversary basis.

1. **Social 1 year membership** – fees will be up for renewal after 12 months of continuous membership. Social members will have no entitlement to reduced green fees and as with all other categories of membership; Social Members are entitled to use all Tura Beach Country Club clubhouse facilities. No Joining Fee applies
2. **Social 3-year membership** – fees will be up for renewal after 36 months of continuous membership. Social members will have no entitlement to reduced green fees and as with all other categories of membership; Social Members are entitled to use all Tura Beach Country Club clubhouse facilities. No Joining Fee applies.
3. **Full golf** – fees will be up for renewal after 12 months of continuous membership. Members are entitled to play social and competition golf on the course 7 days, unless the course is closed, after reporting to the Pro Shop, without payment of a green fee but are required to pay the competition fee each time they play competition golf. No Joining Fee applies.
4. **Country golf** - fees will be up for renewal after 12 months of continuous membership. Members must report to the Pro Shop before commencing any round and produce membership card, without payment of a green fee but are required to pay the competition fee each time they play competition golf. Country Membership is available only to those Members whose PERMANENT PLACE OF RESIDENCE and ELECTORAL ADDRESS is outside the Bega Valley Shire. Please Note – Documentation must be provided upon request. No Joining Fee applies.
5. **Monday to Friday Golf** - fees will be up for renewal after 12 months of continuous membership. Members must report to the Pro Shop before commencing any round and produce membership card, without payment of a green fee but are required to pay the competition fee each time they play competition golf. Please note – this membership category does not permit for members to play without green fees on weekends. Members who have this membership are still able to play social and competition golf on weekends but must pay 50% of full green fees. By doing this these members are eligible to play and win all events that full members are eligible for. This membership can be upgraded at any time, but the balance of full membership will be payable regardless of length of time into 12-month membership. If these members are found to be playing outside of their restricted membership, these members will be sent an invoice for the balance of a full membership without question of the club or management.

6. **Weekend golf** - fees will be up for renewal after 12 months of continuous membership. Members must report to the Pro Shop before commencing any round and produce membership card, without payment of a green fee but are required to pay the competition fee each time they play competition golf. Please note – this membership category does not permit for members to play without green fees on weekdays. Members who have this membership are still able to play social and competition golf on weekdays but must pay 50% of full green fees. By doing this these members are eligible to play and win all events that full members are eligible for. This membership can be upgraded at any time, but the balance of full membership will be payable regardless of length of time into 12-month membership. If these members are found to be playing outside of their restricted membership, these members will be sent an invoice for the balance of a full membership without question of the club or management.
7. **Intermediate golf** - fees will be up for renewal after 12 months of continuous membership. Members are entitled to play social and competition golf 7 days per week (except for any course closures) on the course, (up to 25 x 18 holes games either social or competition, or 50 x 9-hole games either social or competition). Members must report to the Pro Shop before commencing any round and produce membership card, without payment of a green fee but are required to pay the competition fee each time they play competition golf. Please note - This Membership category does not enable Members to play Pennant or Honour Board events and are ineligible to win any championship events or perpetual trophies: e.g., Club Championships, Vets Championship, Foursome Championship, Presidents Trophy, Captain's trophy, Handicap Managers trophy Members must be aware that by playing on the golf course for any number of holes less than 9, will still count as a 9-hole game. Once members have exhausted their game entitlements, they will be able to take up the options of paying the difference of a full membership and change category, buy more blocks at a cost of \$110 per 5 x 18 holes or pay full green fees. No Joining Fee applies.
8. **Student golf** - fees will be up for renewal after 12 months of continuous membership. Student Membership is available to persons who have attained an age of eighteen (18) years and less than twenty-five (25) years old who satisfy the Board that they are a student at a high school, university, or TAFE institution in accordance with guidelines established by the Board. Members are entitled to play social and competition golf on the course, after reporting to the Pro Shop, without payment of a green fee but are required to pay the competition fee each time they play competition golf. No Joining Fee applies.
9. **Cart and Golf** - fees will be up for renewal after 12 months of continuous membership. These members have the same rights as full members and can use the club hire carts at no cost during a Tuesday, Wednesday, or Saturday competition. No Joining fee applies.
10. **Junior/cadet golf** - fees will be up for renewal after 12 months of continuous membership. Junior Membership (12-17 years of age) cadet membership (8-11 years of age) is available to
